

# *Driftwood Joinery*

*Traditional narrowboat joinery and boat builders*

We specialize in refits using traditional materials with a modern approach and built to your needs.

Home from Home boats built to a bespoke standard at basement prices or do as this owner did...

*This boat is 10 years old with a new interior. It has added comfort and value.*

All re-design work undertaken, no job too small. From part fit outs to a complete overhaul of your galley, bedroom, dinette, boatman's cabin or any other area of your boat you would like changed.

***Don't exchange your boat, change your boat***

For boats that look as good on the inside as they do outside come and see us so we can advise you how to improve and transform your boat.
